# A MOST SELECT OFFERING

---

**Edellyn Royal Leader 22nd**, purchased at the top price of \$6500 in the 1945 Edellyn sale, has built an enviable reputation as a sire. At the 1949 International his offspring averaged second among 102 sires of animals competing in all classes, first position taken only by offspring of his own sire. In 1950 the champion female and first prize get at Indiana were by him. He is sire of lots 6, 26, 27 and grandsire of lot 29.

**12 EXCELLENT HERD SIRE PROSPECTS**

**23 BEAUTIFUL FOUNDATION FEMALES**

**25 SELECT 4-H CLUB CALVES**

This catalog contains pedigrees of the most outstanding group of cattle ever offered in a Northern Indiana sale. Included are beautiful open and bred heifers, cows and calves, as well as top-notch herd bull prospects. The breeding of these cattle is ideal and the type conforms to the modern standards of Shorthorns. Also included in the offering are select club calf prospects that possess the type and quality to make show winners. This organization has grown in strength year after year and the offering on September 17 is a harvest of the efforts of the members of this association. Plan now to attend and partake of this superb offering.

BEAUTY WINNER 2103767—During the last two years our calf crop has been practically 90% bull calves, so we are selling females from our regular brood cow herd. This cow is a regular producer and her May steer calf will sell as a separate lot. Both her 1949 and 1950 steer calves sold in the Northern Indiana sales at favorable prices. She was bred June 25th to Circle M. Idol who is considered one of the good bulls of the breed.

Vonetta Green and the steer she showed to reserve championship at the Allen County 4-H Show.

Vonetta Green, R. R. 2, Churubusco, Indiana purchased a steer in the Northern Indiana Sale last September. Last month with plenty of competition this steer won first in the middle-weight Shorthorn class, won first in the Gold Medal class over all breeds, and was reserve Grand Champion over all breeds in the Allen County Show.

Maurice Bowser, R. R. 9, Ft. Wayne also won first in the heavy-weight class of Shorthorns, and second in the Gold Medal class over all breeds. This calf was purchased at the Northern Indiana sale last year.

The Northern Indiana Steer Sale held in connection with the breeding cattle sale at Huntington will be the place to buy your champion steers for another year. The steers will sell first starting promptly at 1:00 p. m.

This is the steer Philip Schilling showed at the 1950 International Livestock Show. Steers from the Schilling herd have been winning in the Indiana Shows.

We had planned to put this heifer back into our breeding herd as she was the only cow calf in our 1950 crop. Since it was difficult to locate enough cattle for the required numbers for the sale we shall include her in our consignment. Her dam has been our best producing cow in the herd. She sells bred to Curtis Candy Crusader, August 13.

**ELCONA TEMPLAR LEADER 2d.** Elcona's two entries in this sale are by Edellyn Royal Leader 22d. The show and sales records of the offspring of this product of the Edellyn Royal Leader—Calrossie Mercury cross is well known to Shorthorn breeders everywhere. Their show performance in 1949 and 1950 added to the already well established prestige of this great bull and his sons and daughters have been in great demand at good prices.

A full brother of Elcona Templar Leader 2d was Champion at the October, 1950 Indiana Shorthorn Breeders' Show and Sale, and sold there for \$660. A full sister stood second in class at the 1951 Blue Grass Futurity and brought \$1025 in the sale held in connection with that event. Larbert Templar was one of the all-time great Canadian bulls and Bapton Orator was a grandson of Callynie Royal Leader.

Here is a group of three females that show the kind of cattle in the Swan-Bird herd at Converse. The cow to the right in this unretouched snap-shot is the dam of the heifer lot 29.

## TERMS, CONDITIONS, GUARANTEE

---

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such cases is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
